

CHECKLIST FOR NEIGHBORHOOD WATCH POLICIES AND PROCEDURES HANDBOOK

Below is a table for you to verify that you have the correct pages in your Neighborhood Watch Policies and Procedures Handbook. The headings indicate the Chapter and Section Number at the top of each page of the handbook, and revised date or undated at the bottom of the page. If you have any of these pages missing, please contact the Neighborhood Watch Secretary or go to your Neighborhood Watch website and click on Documents, then Procedures Handbook and go to the desired page and print. All Exhibits referenced in each section are behind the text so that all text pages and exhibits are together.

* **Asterisk** means for you to visit our website and click on either **Documents** for specific form or click on **Procedures Handbook** and scroll down to specific Exhibit to print.
