

Neighborhood Watch Welcomes You to Sun City Lincoln Hills

Neighborhood Watch is a national program under which neighbors organize to prevent crime in their neighborhood and to increase awareness and participation in personal safety and security by becoming acquainted with their neighbors and strengthening neighborhood ties.

Each Village is assigned a Neighborhood Watch Director, a Village Coordinator, Mail Box Captains and a village number.

Your Director's name is _____

Village and Mail Station number is _____

Coordinator(s) Name : _____

Address(es): _____

Phone(s): _____

Email Address(es): _____

Mail Box Captain(s) Name: _____

Neighborhood Watch's Web site address is: www.lincal.net/watch. To receive alerts, you need to sign up from your own personal computer by going to the Neighborhood Watch Web site and click on "Alerts" then click on the "**Add Me**" button then click "**Send**" to forward your message to the Neighborhood Watch Alerts Coordinator. **Contact our Alerts Team at SCLHWatchAlerts@lincal.net**

The homes in Sun City are equipped with emergency only (911 type) outside blinking lights. Two red lights located by the front entry door light switch when pushed will cause red lights to start blinking as well as your outside lights to help emergency personnel locate your home faster.

Your Mail Box Captain has information on the Vial of Life Program which includes two medical information forms for you to complete and retain in your refrigerator in a Vial of Life capsule and two Red Cross stickers (one for your window and one to place on side of refrigerator).

Dialing 911 from your **land line phone** is the way to contact emergency personnel. You can also contact **the Lincoln Police from your cell phone for emergencies if you are in the Lincoln area.** **Use 645-4040 for non-emergency calls.**
