Announcement

Al Gillespie began the meeting at 6:05 p.m. with the announcement of Ron Wood as a nominee for a Director position. Ron will be added to the slate of new Directors to be voted on at the November Annual meeting and the new Board will be responsible for assigning villages to Ron.

Symposium

The August Symposium was put on rather quickly but was very successful. Les Thomas gave a very good presentation on low or no cost safety and security information which was well received. This is something that could possibly be repeated every year.

Patrol Service

Nancy Whitaker scheduled a meeting for Wednesday, September 14 with Coordinators, Mail Box Captains and any residents from her assigned villages to discuss recent burglaries in Villages 38A, B, C and D and also Villages 28 and 29.

The volunteer patrol service plan proposed by Barry Johnson was discussed and will be finalized by Al Gillespie in the next few days. An email message will be sent to all Board Members and Coordinators asking for volunteers to patrol their villages. It's been suggested that volunteers assume other nearby small villages to patrol.

Security cameras for SCLH were also discussed and it was suggested that Al write a letter to Peter Gilbert, President of SCLH Association about the possibility of mounting security cameras at SCLH main entrances.

Nominations

The changeover of officers will take place at the December 8 meeting when new officers get elected. A flyer for the annual NW Board reception scheduled for November 17 will be sent soon. The reception will be held at Joan Brant-Love's home, 2048 Fallen Leaf Lane.

Lincoln Fire

The Lincoln oil tanker rail fire was handled very professionally. Neighborhood Watch relied on the information received by the Lincoln Police Department via the Lincoln e-Bulletin. Once received, the alerts were sent out including the all clear. The Lincoln PD also sent out a WARN

alert to those residents in SCLH that were within the one mile radius of the danger zone. An evacuation center was established in Kilaga Springs Lodge during the emergency.

New Resident Welcome Packets

The Welcome Packets will continue to be distributed in the same manner to new residents. The NW information included in the packets can also be sent as an email attachment to every resident in a mail station by the Mail Box Captain. Those residents without computers can receive the NW information from their Mail Box Captain. Copies can be obtained from the Neighborhood Watch Secretary. It was suggested that a flyer informing residents where to pick up the monthly COMPASS magazine be inserted in the Welcome Packet

Training for Mail Box Captains

Pauline Watson announced that 20 people have signed up for the September 29 training session. A list of those attending was handed out to the Directors. Five people have already signed up for the October 20 session.

Meeting adjourned at 7:00 p.m.
